UNIVERSITÀ
degli STUDI
di CATANIA

**International
Mobility Office**

Introduction

The International Mobility office (IMO) is the administrative unit that contributes to the enhancement of the University of Catania international dimension. This ambition involves, in particular, a significant collaboration with universities and partner institutions abroad and taking care of the participation of the university to the most relevant international mobility programs.

Fields of competence

- Management of Key Action 1 (KA1): Mobility of the Erasmus Plus program that allows students to spend a mobility period abroad in order to attend university courses or to do research for their final paper.
- Coordination of the main international internship programs for students and graduates to spend professional training periods in companies and institution abroad.
- Selection of professors for a teaching period at the Universities associated in the context of Key Action 1 (KA1) within the Erasmus Plus program.
- Implementation of welcome activities and training period for foreign students, professors and administrative staff.
- Exchanges of students, graduates, professors and staff incoming and outgoing within cooperation agreements.
- Technical consultation and effective support in drafting proposals related to the Erasmus Mundus within the Erasmus Plus program.
- Partnership with "Convitto Nazionale Mario Cutelli" within the student training work project according to Law 105/2015.
